

iOS Developer

About Us

Windowmaker Software Limited is a highly esteemed software company in the window and door industry. With over 40 years of experience, we have built a reputation for crafting innovative, industry-leading solutions trusted by customers worldwide. Our expertise and commitment to excellence have established us as a trusted name in the industry.

Job Description

We require an experienced iOS Developer to join our App team. If you're passionate about mobile platforms and translating code into user-friendly apps, we would like to meet you. As a iOS Developer, you'll collaborate with internal teams to develop functional mobile applications while working in a fast-paced environment.

Key Responsibilities

- Producing fully functional mobile applications
- Supporting the entire application lifecycle (concept, design, test, release, and support)
- Designing interfaces to improve user experience
- Troubleshooting and debugging to optimize performance
- Implementing automated testing platforms and unit tests
- Liaising with the product development team to plan new features
- Working closely with colleagues to constantly innovate app functionality and design
- Researching and proposing new mobile products, applications, and protocols'
- Staying up to date with technology trends
- Interacting with clients to get their feedback

Technical Skills

- At least 4-6 years experience in developing mobile applications on iOS (Swift).
- Understanding of Android and Apple's design principles and interface guidelines
- Familiarity with OOP design principles
- Understanding of common design patterns - MVC, MVVM, MVP
- Hands-on experience working with remote data via REST APIs, JSON, XML
- Familiarity with Room and SQLite
- Experience with third-party libraries and APIs
- Familiarity with Scrum/Agile development methodologies
- Familiarity with CI/CD
- Development experience on both tablets and phones
- Hands-on experience with in-app purchases
- Familiarity with AR and AI is a big plus

Benefits

- Health Insurance
- 5-Day Working Week (Monday to Friday)
- 7 Paid Sick Leaves per calendar year
- 7 Paid Casual Leaves per calendar year
- 18 Annual Leaves
- Professional development opportunities
- Flexible working hours
- Performance-based bonuses
- Employee wellness programs
- Welcoming and friendly office culture
- Frequent festivities and office parties
